

Accessibility Statement

At Marta Lowell Design, we are committed to making our website accessible and usable for as many people as possible. We aim to ensure that everyone can access the information on our site, regardless of ability or the technology they use.

Our website is responsive and can be accessed across different devices, including mobile phones and tablets. Images are used thoughtfully, and we aim to provide suitable text alternatives where required.

We recognise that accessibility is an ongoing process and that some areas of the website may not yet fully meet all accessibility standards. We are continually reviewing and improving the site to enhance usability and inclusivity.

If you experience any difficulty accessing content on our website, or if you require information in an alternative format, please contact us at **[contact@email.co.uk]**. We will do our best to respond promptly and provide support.

This Accessibility Statement will be reviewed periodically to reflect any updates or improvements to the website.
